BRADLEY HATCH JEWELLERS

*Bradley Hatch Jewellers is an independent jewellery shop run by Bradley himself,
a member of the National Association of Jewellers.*

TENDER LOVING CARE

At Bradley Hatch Jewellers we want your jewellery to last a lifetime, just like the memories it represents. Our TLC service allows you to ensure your ring will become a treasured family heirloom, passed from generation to generation. Our services include:

ENGRAVING

Mark the occasion with a personal engraving on the inside of your ring.

RESIZING

Our in-house workshop can adjust your ring ensuring the perfect fit.

REFINISHING

We can professionally polish, clean and health check your ring all in our in-house workshop to keep it at its best.

OUR WEDDING COLLECTION

We have built an excellent reputation for fantastic customer care, high quality products and expert advice. We also offer specialist services such as bespoke jewellery, engraving valuations, jewellery and watch repairs.

Within this brochure you will find a selection of our current collection of bridal jewellery. We are able to source a wide range of additional items and offer a special order service for bespoke requests.

Please allow 6-8 weeks for special order requests.

As well as stocking high quality products from bridesmaids' gifts to bridal jewellery, engagement rings, wedding bands and eternity rings. We also maintain a selection of good quality pewter, silver items, clocks, watches and vintage jewellery.

SOLITAIRE RINGS

Solitaire rings are set with a single statement diamond, and chosen for their elegant appearance.

A popular choice for an engagement ring, Solitaire rings are available with plain or stone set shoulders for that extra woww factor.

BESPOKE SERVICE

Let our in-house workshop take your ideas or drawings and bring your dream design to life.

Our bespoke service offers the opportunity to create a completely unique piece of jewellery to perfectly fit your needs. Whether your journey begins with a precious stone that you would like set in an individually designed ring, a re-design of a beloved heirloom, or you would like to create a wedding ring from scratch, we can work with you to create a piece to cherish for a lifetime.

Bespoke commissions typically take around 6-8 weeks from start to finish.

CONSULTATION

Every great design begins with an inspiring idea. Simply contact us to book an appointment to discuss your requirements and explore all available options.

CREATION

Once you are completely happy with your design, we will instruct our highly skilled goldsmith to bring your design to life. We will then have the design creation certified (if requested) and hallmarked under British law.

DESIGN

After your consultation we'll work to produce an initial sketch of your unique design, along with a quotation of estimated costs and a timeline.

REVEAL

Once your bespoke creation has been returned from our in-store workshop, cleaned, polished and ready to be loved, we will invite you to come into the store and present you with the finished piece.

ENGRAVING

Special memories are held in jewellery, inscribe a message that will last a lifetime.

A ring captures fleeting moments and transforms them into lasting memories. Add a personal touch to your item and take advantage of our engraving service. We can also engrave on to gift items too, simply select your item from our vast selection of glass, tankards or hip flasks.

For more information or to enquire about using our engraving service, please call our customer service team 01603 782233.
